

MEMORIAL SERVICES

FROM

F. Upson & Son

Your final gift *a lasting Symbol of Remembrance*

A memorial is designed to honour and preserve the memory of the person who has passed away. We understand completely the grief and devastation that is caused when a loved one passes away and we understand the need to demonstrate the importance that person has made in our lives.

We help families convey their remembrance through timeless and unique personal memorials.

Full written estimates and advice are provided without obligation. The services we offer:

- New memorials erected in any crematorium or cemetery
- Renovation of existing memorial
- Specialists in all types of granite
- Additional inscriptions

We can help you decide on the design, appropriate text and meaningful symbols. We will prepare drawings to help you visualise the finished item before the work is started.

Memorials are made of materials that can withstand the weather and are suitable for shaping and decoration, eg. granite and marble. Granite is very popular because it is durable, reasonably priced and is available in a wide range of colours. Marble is sometimes chosen for its clarity and beauty and available in whites and greys. Crematorium/cemetery memorials range from flat, bevelled, slanted or upright. Where regulations allow, memorials may also include crosses, statues, and flower vases.

Loves last gift remembrance

Resting where no shadows fall

Gone but not forgotten

Forever in our thoughts

Reunited

Always remembered

Until the day dawns

Peace perfect peace

*So dearly loved,
so greatly missed*

Remembered with a smile

At rest

In God's keeping

Rest in peace

Forever young

Requiescat in pace

Simply the best

Great loves live on

Too dearly loved to be forgotten

*His life a beautiful memory,
His absence a silent grief*

*Gone from our home
But not from our hearts*

*Gone is the face we loved so dear,
Silent the voice we loved to hear*

*A tiny flower lent, not given
To bud in earth and bloom in
heaven*

*To live in the hearts of those
we leave, Is not to die*

*Do not go gentle
into that good night,
Old age should burn
and rave at close of day;
Rage, rage against
the dying of the light.*

*As a day well spent
brings blessed sleep,
So a life well lived
brings a blessed death.*
